Sir:

On March 1, 2005, the USPTO mailed a Notice of Allowance and Fee Due for the above-identified application. On March 16, 2005, Applicants submitted a check for \$1000.00 for payment of a small entity issue fee of \$700 and a publication fee of \$300, in response to said Notice.

On April 4, 2005, Applicants submitted a Petition to Withdraw from Issue for the subject application. The USPTO mailed A Decision Granting Petition on April 5, 2005, in response to said Petition.

On April 28, 2005, Applicants submitted a Request to Excuse Failure to Notify Office of Loss of Status as Small Entity. In said Request, Applicants informed the Office that the Assignee of the subject application was no longer entitled to small entity status.

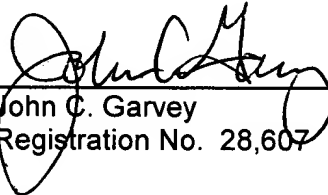

Applicants received a second Notice of Allowance and Fee Due mailed on August 10, 2005 for the subject application. As indicated on the Notice, the issue fee due reflects a credit for any previously paid issue fee applied in the subject application. In particular, the Notice indicates that a fee of \$700 is due, as a \$700 small entity issue fee was previously paid on March 16, 2005, in addition to a publication fee payment of \$300.

As the status of Applicants is large entity, Applicants are submitting a check for \$700.00 to pay the remaining balance of the issue fee, in light of the previous credit. Applicants respectfully again request that its status be changed to large entity, as initially requested in said Request submitted on April 28, 2005.

Respectfully submitted,

STAAS & HALSEY LLP
